WED DEC 14

Live Workshop 1

The Profit Plan:

As Suneera always says, "there's no such thing as a million dollar idea, just a million dollar execution". So get YOUR 2023 Annual Operating Plan in place to power-walk into the year ahead with total clarity around your decisions and a solid plan for a strong, forecastable, profitable business

THU DEC 15

Live Workshop 2

The People Playbook

Your team will support your dream, so hiring the right people and confidently stepping into the leadership role is crucial for scaling from 6-figures to 7. It's essential to not only hire and retain A players, but to embed a strong company culture to help you propel your business forwards. We'll show you how.
